WORK EXPERIENCE

Associate Software Engineer
Platform One (Pvt) Ltd

10/2021 - Present
Achievements/Tasks

- As an Associate Software Engineer, my primary focus was on Front-End development, specifically utilizing Vue.js for data binding and flow implementation.
- I was involved in maintaining DotNetNuke (DNN) sites for various portals. Our approach involved customizing a common template and then implementing unique modifications tailored to each specific portal's requirements.

Intern Software Engineer
Bourke Technologies (Pvt) Ltd

06/2020 - 12/2020
Achievements/Tasks

- As an Intern Software Engineer, I successfully integrated into the team and quickly adapted to their system.
- I contributed to the development of their Hospital Management System by adding new pages as per client requirements and implementing style changes to enhance their existing system.
